Minutes:

- We discussed the positive effects in the community of listening to ideas/concerns of the citizens (People have shared feedback with us that this has been meaningful)
- We read and reviewed the information sheet prepared by Trent which will go out to the Budget Committee
- We discussed further ideas and income generating possibilities for both the rectory as well as church building
- We discussed the importance of getting the press involved- letting people know what is happening
- We continued to plan the next community supper as well as a brunch and tour with entertainment at The Sacred Heart
- We discussed estimates and quotes received for building renovations needed
- We discussed the need/possibility of a non-profit to form which would take on the care taking of the building
- We discussed the future work with the grant writer
- We discussed further outreach to the local schools and community- members expressed their willingness to do more
- Next meeting is at the Selectman's office- Tues. Jan. 10th @ 7 PM
